

## YOUTH VOICE • STUDENT ENGAGEMENT

# In Real Life

High quality, interactive **PROFESSIONAL DEVELOPMENT** for high school educators

Includes **Anthologies** of teen stories + **Curriculum Guide**

**In Real Life** includes an easy-to-use, fully-developed curriculum to:

- Reinforce Positive Behavior and Student Growth
- Increase Motivation to Read and Write
- Develop the SEL Skills of Hard-to-Reach Students
- Improve School Climate and Culture

*“The relevance of your resources catches my students’ attention. Reading the stories has brought me closer to them and their lives outside of school.”* —Elise Baranowski, NYC ELA teacher

**In Real Life** includes 25 true stories written by teens, with lesson plans on the following topics:

Identity Development • Overcoming Challenges  
Building Positive Relationships • Encountering Diversity  
Planning for the Future • Becoming Independent

Use **In Real Life** for:

- Restorative Circles • Text-based discussion
- Extended Learning Time • Advisory
- Common-core aligned ELA lessons

Professional Development participants receive a suite of supports for program implementation of **In Real Life**.
