WRITE FOR Ycteen

Do you love to write personal stories and want to be a voice for teens? YCteen may be the place for you. YCteen is an award-winning, teen-written magazine that's read by thousands of teens and adults in print and online. YCteen articles have been republished on the *New York Times Learning Network* and are used in curricula nationwide. Writers are guided and supported by a professional editor as they learn memoir-writing and journalism skills.

REQUIREMENTS:

- You must be between the ages of 15 and 20.
- You must live in New York City and commit to working a minimum of two days a week, two hours a day for three months at our midtown Manhattan office. (Our office is open to writers from 1-6 p.m. Monday through Thursday.)
