**Independent Auditor's Report**

To Board of Directors of  
Youth Communication / New York Center, Inc.

**Opinion**

I have audited the accompanying financial statements of Youth Communication/ New York Center, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2024 and 2023, and the related statements of activities, function expenses and cash flows for the years then ended, and the related notes to the financial statements.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Youth Communication/ New York Center, Inc. as of June 30, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

**Basis for Opinion**

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of Youth Communication/ New York Center, Inc. and to meet my other ethical responsibilities in accordance with the relevant ethical requirements relating to my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Youth Communication/ New York Center, Inc's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Youth Communication/ New York Center, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Youth Communication/ New York Center, Inc.'s ability to continue as a going concern for a reasonable period of time.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that I identified during the audit.

**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2024 AND 2023**

**Note 1 - Organization**

Youth Communication / New York Center, Inc. (the Center) was founded in 1980 in Delaware, and is a nonstock, nonprofit corporation helping youth develop their full potential through reading and writing, so that they can succeed in school and at work, and contribute to their communities.

The Center publishes true stories by teens that are developed in its rigorous writing program. These stories motivate teens to read, promote social-emotional development, and show them how their peers made responsible choices. The Center's staff training sessions and story-based curricula enable educators to create engaging educational settings that strengthen young people's social-emotional and literacy skills. The Center focuses its effort on supporting young people who are furthest from opportunity—often minority youth and those living in poverty—to succeed in school, pursue meaningful careers, and develop a sense of personal agency.

**Note 2 - Summary of Significant Accounting Policies**

Basis of Presentation

The Center prepares its financial statements on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Financial Statement Presentation

The Center's net assets are classified into two categories. The classifications are related to the existence or absence of donor-imposed restrictions, as follows:

*Net assets without donor restrictions:* Net assets that are not subject to donor-imposed stipulations and may be expended for any purpose in performing the primary objectives of the Center.

*Net Assets with Donor Restrictions* - Assets subject to usage limitations based on donor-imposed or grantor restrictions. These restrictions may be temporary or may be based on a particular use. Restrictions may be met by the passage of time or by actions of the Center. Certain restrictions may be needed to be maintained in perpetuity.

**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2024 AND 2023**

**Note 2 - Summary of Significant Accounting Policies (Continued)**

Financial Statement Presentation (Continued)

Earnings related to restricted net assets will be included in net assets without donor restrictions unless otherwise specifically required to be included in donor-restricted net assets by the donor or by applicable state law.

Accounts Receivable

Accounts receivable are presented net of the allowance for doubtful accounts. The Center’s periodic evaluation of the adequacy of the allowance is based on its past loss experience. Accounts receivable are charged off when they are deemed uncollectible.

Use of Estimates and Assumptions

The preparation of financial statements in conformity with U.S. GAAP requires the Center’s management to make estimates and assumptions. These affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates and assumptions.

Property and Equipment

Property and equipment are stated at cost if purchased or at fair market value at the date of receipt if donated. The cost of maintenance, repairs, and minor renewals is expensed as incurred, and renewals and betterments are capitalized. Depreciation is computed using the straight-line method over the estimated useful lives of the assets. The estimated useful lives for each major depreciable classification of property and equipment are as follows:

	<u>Estimated Useful Life</u>	<u>Method</u>
Office Furniture and equipment	5 years	Straight-line
Leasehold improvements	15 years	Straight-line

**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2024 AND 2023**

**Note 2 - Summary of Significant Accounting Policies (Continued)**

Long-Lived Asset Impairment

The Center evaluates the recoverability of the carrying value of long-lived assets whenever events or circumstances indicate the carrying amount may not be recoverable. If a long-lived asset is tested for recoverability and the undiscounted estimated future cash flows expected to result from the use and eventual disposition of the asset are less than the carrying amount of the asset, the asset cost is adjusted to fair value and an impairment loss is recognized as the amount by which the carrying amount of a long-lived asset exceeds its fair value. No asset impairment was recognized during the years ended June 30, 2024 and 2023.

Revenue Recognition

The Center reports gifts of land, building, and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support.

Cash and Cash Equivalents

The Center considers all highly liquid investments with an initial maturity of three months or less to be cash and cash equivalents. The Center has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents. Fair value approximates carrying amounts.

Contributions

The Center reports contributions with donor-restricted revenue if they are received with donor stipulations that limit the use of the assets. With donor-restricted net assets, when the purpose of the restriction is satisfied, the net assets are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

**YOUTH COMMUNICATION / NEW YORK CENTER, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2024 AND 2023**

**Note 2 - Summary of Significant Accounting Policies (Continued)**

Income Tax Status

The Center is exempt from Federal income tax under Section 501(c)(3) of the Internal Revenue Code. In addition, donations to the Center qualify for the charitable contribution deduction under Section 170(b)(1)(a), and the Center has been classified as a center that is not a private foundation under Section 509(a)(1).

The Center files Form 990 tax returns in the U.S. federal jurisdiction. The tax returns for the years ended June 30, 2021 through June 30, 2023, are still subject to potential audit by the IRS. Management of the Center believes it has no material uncertain tax positions and, accordingly, it has not recognized any liability for unrecognized tax benefits.

Fair Values of Financial Instruments

The Center's financial instruments consist primarily of cash, accounts receivable and accounts payable. The carrying values of cash, accounts receivable and accounts payable are considered to be representative of their respective fair values.

New Accounting Pronouncement

Effective July 1, 2022, the Center adopted Accounting Standards Update (ASU) 2016-02, Leases (ASC Topic 842) and subsequent amendments. ASC affects all companies that enter into lease arrangements, with certain exclusions under limited scope limitations. Under ASU 2016-02, an entity recognizes right-of-use ("ROU") assets and lease obligations on the statement of financial position for all leases with a lease term of more than 12 months. Short-term rentals under year to year leases or remaining lease terms of 12 months or less are exempt from being capitalized.

In adopting the new lease standard, the Center elected to use a transition method under which existing leases were measured and capitalized as of the date of adoption, July 1, 2022, in lieu of applying the standard retrospectively to July 1, 2021.

Additionally, as part of the implementation, the Center elected to use a package of optional practical expedients which permit the Center to avoid reassessing previous lease identifications within contracts, the existence of initial direct costs, and the lease classifications of any expired and existing leases. Moreover, in accordance with

**YOUTH COMMUNICATION / NEW YORK CENTER, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2024 AND 2023**

**Note 2 - Summary of Significant Accounting Policies (Continued)**

New Accounting Pronouncement (Continued)

the expedients, all leases classified as operating leases under previous U.S. Generally Accepted Accounting Principles (U.S. GAAP ) are automatically classified as operating leases under the new standards, and all leases previously classified as capital leases are recorded as finance leases.

The Center has not classified any leases as finance leases. All leases are classified as operating leases since the Center does not expect to consume a major part of the economic benefits of the leased assets over the remaining lease term. Leases recognized under the new standard include leases that were not capitalized under previous U.S. GAAP.

Lease obligations are measured and recorded at the present value of future lease payments using a discount rate. The Center has made an accounting policy election to use a risk-free rate as the discount rate in measuring its lease obligations. Under this election, the risk-free rate used is the rate for a United States Treasury instrument with a term consistent with the remaining lease term of an applicable lease.

Right-of-use assets are generally measured and recorded at the sum of the lease obligation, any initial direct costs to consummate the lease, and any lease payments made on or before the commencement date.

On July 1, 2022, the Center recorded a right-to-use asset of \$705,908 and lease obligation of \$736,868 for operating leases.

**Note 3 - Concentration of Risk**

Financial instruments that potentially subject the Center to concentration of credit risk consist principally of cash and cash equivalents maintained at creditworthy financial institutions. The Center maintained cash balances in two financial institutions in checking and savings, certificates of deposit, and money market funds. At June 30, 2024 and 2023, the uninsured cash balance was \$205,475 and \$751,988, respectively. However, the Center had not experienced any losses in such accounts and management believes it is not exposed to any significant credit risk on its cash and cash equivalents.

Depreciation expense for the years ended June 30, 2024 and 2023 was \$18,466 and \$17,649 respectively.

**Note 5 - Availability and Liquidity**

The following financial assets are available to the Center within one year of June 30, 2024 and 2023. As part of the Center's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. The Center invests cash in excess of daily requirements in short-term investments.
